JESSE & TANYA

Cheers! Let's Get Started...

Jesse and Tanya enjoy a "girl's day out." Jesse pays for the hair and nails, while Tanya picks up the tab for the lingerie and high heels. Today they're try something new. Instead of finishing their date with mocha lattes and a chick flick, they opt for shots of bourbon and a box of old porn VHS tapes from the late '80s. Watching the sex stars of yesteryear inspires these ladies to strip down and eat each other's ass and pussy with great fervor. Can we come with you next month, ladies?

ASHLEY & AUBREY

This will be a very warm day.

Usually we like to have sex in private, but this time we'll let you watch. It's not that we're embarrassed, we're not. It's just that we're a little inhibited. We would probably do more nastier things without the cameras here. But maybe we'll loosen up after a couple hours. In the meantime, you'll just have to use your imagination.

PUT ON THAT SMOKING JACKET YOU HAVE STUFFED AWAY IN THE BACK OF YOUR CLOSET. PULL OUT THAT VINTAGE SMOKING PIPE OF YOUR DAD'S AND KICK BACK IN YOUR FAVORITE RECLINER AND ENJOY A READ LIKE THE DAYS BEFORE THE INTERNET. NOTHING IS MORE EXCITING THAN TIME ALONE WITH YOUR IMAGINATION.

.....

Tonight, my friend Paul, he's a cop, is coming over to tell me, and you, about this little escapade he had last week. There's a knock on the garage door and I open it and Paul is standing there, all square shouldered and imposing, as most cops are. But He's got a great sense of humor, a great memory, and tells a good story.

"Hey Paul, cm'on in and grab a brewski." I say.

"Hey dude, thanks for having me. Great man cave you got."

"You got a few minutes to tell me about what happened with Sherry? (Not her real name, by the way)... Go for it..."

Paul starts... It was a fairly routine patrol day for me until I saw the pretty blonde girl standing by the car with the flat tire. She wore high heels and hose and this impossibly short dress—not the best attire for changing a tire. And she knew that. She waved her arms, flagging me down. I watched how her dress rode up when she raised her arms. I could almost see her pussy. My cock stirred. Whoa, partner, I muttered.

She was blonde and had little tits; she looked maybe 18. But her ass—now that was curvy and gorgeous, all woman. I pulled the car just a bit beyond her vintage Mustang. She was lucky I'd come along; this stretch of the county can be pretty desolate, and it was nearly sunset. And it was a good

10 or 12 mile walk to the next gas station through some dense woods.

"Yes, miss, how can I help?" I said, unfolding myself from the car. I'm 30 years old, six foot five, and lean. I work out a lot, and I take pride in my body. This little miss must have liked what she saw, because her brown eyes widened and her mouth made an "O".

"I just came back from this job interview, you see, and I took the wrong turn, and then I heard this sound like a snake hissing, and my car started acting weird, and I got out...and anyway, I have a flat. I was just about to change the tire when you came along, Officer."

"Call me Paul," I said. "I can fix it for you, miss."

"Thank you, Officer Paul." She smiled, showing a dimple. "I really appreciate it. My name is Sherry."

"That's a pretty name...for a pretty girl," I said.

She blushed and half-turned away, which was fine because it gave me a great view of her ass. God, her tight dress fit her butt like a glove. Was she a virgin there?

First things first! I positioned the jack, and inside of five minutes I'd removed the flat and put the spare on. I could see that this would have been beyond Sherry's capabilities. She was a little thing and wouldn't have been able to lift the tire.

I wiped my hands on a cloth from my patrol car.

"Oh, that's terrific, Officer Paul! How can I thank you?"

I smiled. "You just did."

"No, I mean...really thank you." Sherry stepped forward, pressing her small tits against me. There was no mistaking her message.

I was getting really hard now. Her small tits were encased in a lacy little bra. I bent down and sucked her tits through the bra, making the material wet.

"Hmmm. Let's see." I removed a blanket from my car, then took the girl by the hand and led her into the woods. I found the spot I was looking for right away. I had been here before, off-duty. It was incredibly secluded on three sides, and the fourth afforded a fantastic view of the lake.

"Oh wow. This is beautiful," Sherry said.

"Not as beautiful as you," I growled, pushing her down onto the blanket. I started kissing this sexy girl, forcing my tongue inside her mouth. She sucked at my tongue while I tore off her dress. She wore a white garter belt to hold up her hose—and no panties. I was getting really hard now. Her small tits were encased in a lacy little bra. I bent down and sucked her tits through the bra, making the material wet. She lay back

and spread her legs. Gently I removed her high heels, then rolled her stockings down. I ran a finger along her wet slit.

"Ummmm, do you have a great big nightstick, Officer?"

I laughed. "I think you're about to see it—not to mention feel it."

Her damp pussy seemed to wink at me, but right then I was turned on more by the thought of her little ass. I just knew it would be incredibly tight. I rolled her over onto her tummy, then told her to get on all fours.

"I love it doggie-style," she murmured.

I ran my hands across her warm and perfect heart-shaped ass, then leaned down and licked her crease. I had my cock out of my pants by then and rubbed it across her puffy pussy-lips, then inserted the tip into her pussy to get some sweet honey. Sherry was wiggling her hips.

"Like that, huh?" I asked.

"My pussy loves to be fucked, Officer Paul."

I started sliding my cream-lathered cock back and forth from her asshole to her pussy. "Then you're gonna like this." I pressed the tip of my thick cock against her asshole.

"Oh!, Oh my gosh!" she squealed.

I crammed my cock into Sherry's tight ass, inch by inch, while

she wriggled and mewed. She kept saying she was too tight, that my cock wouldn't fit, but I kept assuring her that it would.

"Relax," I said, as I buried my cock all the way in her ass. My cock began stroking deeper as she relaxed. Sherry was right—she was fucking tight. It felt really good, too. Slowly I pulled my cock almost out of her ass, then I slammed it all the way in. I started pistoning my cock in and out, my balls slapping against her ass-cheeks. I grabbed her little tits and pinched her nipples hard.

I had my cock out of my pants by then and rubbed it across her puffy pussy-lips, then inserted the tip into her pussy to get some sweet honey.

"Oooo, this is so good," Sherry cried out.

"Yeah," I said, my breath catching. I grabbed Sherry's hips, then thrust deeply inside her, really reaming her out. I could feel the jism building up in my balls, and then, before I wanted to, I was coming, shooting my spunk high into her ass. Her body shook from the force of my orgasm, and I thrust and thrust, spewing the last of my cum in her. She couldn't take it all, so a lot of it went dripping down her thighs.

I licked Sherry's pussy to get her wet again, then pulled her back onto my lap and, without warning, thrust my cock up into her ass again. I fucked her ass a lot that night, and Sherry just kept begging for more. She says she's converted—she wants my cock only in her ass, no more pussy-fucking. And I'm only too happy to accommodate her... Now for that brewski..

We haven't done a scene together, at least not for the cameras. When we found out we were finally going to get a chance to fuck each other, we almost creamed our panties right there. CHERRY DELIGHT

Something came over me when I saw Tish staring at my dick. She was scarcely 15 yards away with her hands on her hips, her eyes open wide, and her lips a perfect pink circle.

“Come here and help me shake it,” I told her.

Tish hesitated, then stepped forward. She approached slowly, like a sleepwalker being pulled into the heart of a vivid and engaging dream.

The lithe, 18-year-old college freshman swayed gently as she walked. Her blonde hair, cut shoulder-length, styled in a girlish flip, and held in place by a teal hairband, streamed behind her. I took a deep breath as she drew near.

I had met Tish at the bookstore where I work. She was looking for a field guide for her botany class. After I suggested a book that proved valuable to her, she visited the bookstore often. My nostrils filled with the freshness of a warm spring day whenever I was near her. Her supple flesh, subtle curves, and dainty features thrilled me to the core.

Two weeks after we met, I suggested that we go for a little hike at a county park. It would give her a chance, I told her, to show me what she had learned from the field guide.

The trail was well kept and easy to follow. I fell behind Tish on a hill about midway through. It wasn't that steep, but I was carrying the pack, and I got a little winded. When I reached the top and didn't see her,

Tish was a virgin... but she was soooooo willing. I unsnapped her bra and freed her mouthwatering little jigglers. I fed her some more of my hard dick. She stiffened, gasped, and squealed some more.

I decided to empty my bladder. I'd been needing to piss for a while, but I couldn't bring myself to whip it out right in front of her.

I had a good stream going when I got the feeling I was being watched. When I looked around, I saw Tish staring—she had circled back when she realized that I wasn't behind her. Finishing quickly, I shook off the last droplets. That's when I invited her to help me shake it dry.

My dick stretched as Tish came closer. When she was beside me, I put her hand on it. I shivered even though her hand was incredibly warm. Tish's breathing quickened. She glanced up at me, her face filled with awe as she felt me grow in her palm.

“Pump it,” I whispered. She pulled. “Easy, Tish. Pump it easy.”

Tish shuddered as she gently stroked my dick. Soon I was as hard as a rock. Tish squeezed my dick, and cooed softly.

She was wearing a flannel shirt and sweatpants. I undid the bottom button of her shirt. She sighed sweetly; her lips curled into an expectant smile. I quickly undid the rest of the buttons and opened her shirt. My dick reared in her hand as I looked over her slim belly. Her delicate bra was translucent, and my lips trembled as I caught sight of her tender titties and stiffening nipples.

I reached into her pants and gripped her mound through her wispy panties. Tish flinched, frowned,

inhaled deeply, and exhaled slowly. I kissed her cheek, and she leaned toward me. I slid my hand into her panties and palmed her pussy. She gripped my arm with her free hand, digging her nails into my skin.

Tish glanced up at me. Her green eyes sparkled with a compelling mixture of anxiety and anticipation. I caressed her seam, and her intense warmth startled me. She was quite moist; I eased a finger into her pussy.

"Eeep," she gasped, flinching again.

I removed my finger from her pussy and dragged it over her prominent pearl. My dick thickened as Tish's breathless moans filled my ears. I trapped her pearl between two fingers. She slumped against me and murmured delightful gibberish. Then she gasped suddenly and stiffened. I withdrew my sticky fingers from her pants.

She squeezed my dick. "Oooo," she moaned. "It's totally hard."

I unsnapped her front-clasping bra and freed her mouthwatering little jigglers. Neither would overflow a wine goblet. I tilted my head and kissed her breastbone. Tish vibrated against me.

I consumed her tasty titties, taking each one entirely into my mouth, then nibbled her hard areolae and licked her coral peaks. Tish shook uncontrollably but never relinquished her grip on my erection.

"Suck it," I pleaded. Tish looked at me, her lips pressed together in an uncertain squiggle. "Get down on your knees and suck it."

Tish hesitated, then flinched when my dick bucked in her fist. She dropped to her knees in front of me

without letting go of my dick. She tilted her head forward, almost kissed the tip of my dick, then backed away and stared at the flaring head. I narrowed my eyes. She kissed my dickhead timidly. Then she licked the underside as though she were sampling a lollipop with an unknown flavor.

I pressed my fingertips against the back of her head. Tish opened her mouth and took me into her face. I groaned as she swallowed my rigid flesh. Her warmth engulfed my tingling erection, and her muffled moans vibrated through my excited loins.

Tish backed away, undid my khaki shorts, and slid them down. Then she resumed sucking my dick. She grabbed my ass, dug her nails into the cheeks, and fellated me with a gusto that made me loopy with lust.

I pulled away from her, and she sucked the air for a moment or two before she looked up at me.

"Get up," I said. "Turn around." She did what I told her to do, and I nudged her toward a sturdy oak. "Lean against that," I said as I peeled down her sweatpants and panties.

My dick reared when I exposed her bottom. It was firm, nicely rounded, and narrow: I could almost cover it with my hand. I reached between her legs and caressed her pussy. Quickly I lined my dick up with her untested crease and nudged it into her snug pussy. Tish gasped, groaned, and wiggled. I was barely inside her, and the pressure on my erection was incredible. I fed her more dick.

"Oh, oh, god," she squealed. "Oh, god."

"You want me to stop?"

"No," she said, her voice dropping an octave. "No, don't stop. Don't stop."

I fed her some more hard dick. She stiffened, gasped, and squealed some more. I paused. Her pussy pulsed with passion.

"Oooo, don't stop," she insisted. "Ooooo, please, don't stop!"

I eased my way into her until I wedged the head of my dick against her cervix. Her pliant pussy stretched to accommodate me;

her hot juices basted my throbbing woody. She stiffened, cooed, and clawed the oak. Her pussy collapsed and caressed my dick like a second skin. Wild spasms rippled through her agitated slit, and my boner bucked sympathetically.

"Oh, it feels so good," she moaned. "Oh, it's so good, oh it's so good, oh it's so good."

I grabbed her hips, pulled my dick back, and thrust into her. She whimpered and cooed. I pulled back again and thrust more forcefully. She cried out like a wild animal.

A reservoir of hot jizz churned in my balls. I fucked her until she cried out with another orgasm, then withdrew. She turned around, her eyes wild with passion. "Get down on your knees and suck it," I said.

Tish dropped like a rock and stuffed my dick into her face. She timidly touched my balls, then kneaded them as though that would free the precious seed she craved.

Just as my load boiled over in my balls, Tish opened her mouth wide, and I spewed my wad onto her outstretched tongue. I backed away and watched as she licked her lips and swallowed my spunk.

She put her head on my shoulder and her hand on my thigh when we drove back into town. As we neared the campus, I asked if she was ready to return to her dorm.

She shook her head. "I'd like to see your place," she said softly. I took her hand and put it right on my crotch. She caressed my dick.

When we got to my place, I guided her to the couch. I removed her shoes, socks, sweatpants, and panties. Tish squirmed as I stuck my head between her legs and kissed her downy muff; she cackled like she was laughing and crying at the same time when I licked her.

I consumed Tish's tangy pussy. She stiffened and arched her back, then squealed with delight as I brought her to a rousing climax. I backed away and undressed while she caught her breath. Her sizzling sauce dripped from my lips.

I sat down next to Tish, unbuttoned her shirt, and unsnapped her bra. Then I guided her face to my dick. She locked her lips around my boner, and I lifted my hips off the couch to thrust into her mouth.

"Oooo, suck it, baby, suck it," I moaned as Tish gave me a hummer that wouldn't wait. She didn't have a lot of style, but she had plenty of

enthusiasm. An immense pressure gathered in the base of my dick.

I fondled her titties and tweaked her nipples as she slobbered over my erection. When she had me so hard that I couldn't stand it, I pulled away from her and stood. "Take your shirt off," I told her. She complied. My dick reared as I looked her over. The only thing she had on was her open bra. I pulled her toward me, bent my knees, and rubbed my dick over her

little breasts. Tish purred like a cat.

I told her to stretch out, then I got between her legs and hoisted them into the air. I leaned over her and let my dickhead glide over her crease until it poked her engorged clitoris. The delicious friction between our genitals made us quiver and moan.

I grabbed my dick and guided it into her pussy. Tish hissed as I eased into her, and that pliant pussy tightened around me until I could feel her heartbeat through its vibrant walls. "She cried. "Oh, it's so good, so good. Oooo, you fill me up so good."

I crossed her ankles and held onto them like handlebars as I plowed into

her. Tish arched her back as powerful convulsions pulsed through her pussy. She yelped her nervous laugh and writhed with a burning lust. I held steady as an exquisite tingling sensation consumed my erection.

As her spasms subsided, I withdrew and nudged my boner against her puckered asshole. Tish grunted and squirmed away, but I pulled her back and lined my dick up with her back door. She grimaced and gasped

as I eased into her asshole, but she didn't try to stop me. The raw friction tickled the underside of my dickhead and sent an insistent tremor up my spine.

Tish's sphincter muscle gradually relaxed and allowed me full access to her untried asshole. I put her hand on her pussy and told her to stroke herself while I fucked her ass. Tish rubbed herself tentatively at first, but soon frigged herself with wild abandon. Her asshole rhythmically clenched my dick when she made herself come.

I pulled out of Tish's backside with a plop, scooted up the couch, and presented her my throbbing rod. She tilted her

head toward my twitching dick and opened her mouth; I plunged into her face until my nuts bounced off her chin. Tish moaned and cooed excitedly as my dick jerked, recoiled, and fired salvos of semen down her throat.

Tish and I shared a bubble bath – she didn't have a tub in her dorm, just a shower, so it was a rare treat – and went out for dinner before I drove her back to campus. She would have stayed over that first night, but she had an early class. But she turned up at the bookstore the next afternoon and stood around grinning until I finished my shift.
